GENERAL INFORMATION

We are proud to publish the McVs of the 1900 Soundex, copied by our member
DONAL WEST.

This has been quite an undertaking - as you can tell.

Mr. West writes - "I haven't been working on the McVeys very long. I never even heard the name McVey until 1976 when I found the mother of my great grandfather , Hugh West, was Jane McFadden and the father, Harrison West - born in Clinton County Ohio. I went to the county and found that Harrison had several sisters, three of whom married into the McV family."

We are indeed grateful to Donal West. Again, our thanks.

The 1979 Quarterlies will follow the usual form - different sections and the lineage charts of the new members.

We now have given out #250. This is wonderful. I do hope you are corresponding with each other and with our genealogists, historian, and corresponding secretary.

I do wish to thank everyone for his and her patience. As you know the delays have not been intentional.

I've included copies of the forms we send to prospective members. If you would remove them from the quarterly - have xerox copies made - and then send them to McVs in your local areas, this would be greatly appreciated. Often times Mickey Paulk receives copies of pages from phone books which are out of date - and many letters are returned. Someone has the information we all need to complete another generation - or to help us find that immigrant ancestor.

Vol I No I has been reprinted. I'd like to receive a card from those who have been waiting patiently for this Volume.

I do hope you are working on your chapter for our book. If you can help with this project, please let me know. As we work out a chapter, it will be mailed to the member to be proofread for errors and corrections and additions.

EDITORS NOTEPAD

The fourth quarter - already! It seems like only yesterday preparations were being made for 1991 Issue 1.

This has been a new, and enjoyable, experience for me. It has been, and will continue to be, a learning experience. Several members have been very helpful to Mickey and I. However, they are bashful and requested that their names or "kindnesses" not be published. They know who they are - our thanks to you.

This month we welcome LYNCH, Frances Helen, nee CHEVERIE, of San Jose, CA. Mrs. Lynch has volunteered to help with the entry of group sheets into our computerized data base, and will be contributing articles for the quarterly. She is a genealogist, and in 1987 wrote "Will The Real James L. McVey - Please Stand Up", a tribute to her uncle, the late McVey, James L. Her first contribution "A Rose is a Rose is a Rose ..." appears in this issue.

Volunteers to help with various facets of the Archives are still needed. If you can help, in any way, let us hear from you.

This issue contains the annual dues notification, due to postage costs, this will be the only notification. This year we are requesting that the dues be received by Dr. Brooks by March 1, 1992.

In planning a budget for 1991 we anticipated 200 members. Instead we had 103 members at the beginning of July, this has now increased to 133.

We were not able to use bulk mailing. Postal regulations require a minimum of 200 pieces for each mailing. This forced us to use first class postage, increasing costs, and causing a deficit budget.

We must be self supporting. In order to do this and not raise dues, we need more members. Do you know a Mc V researcher who is not a member? We again ask your help in obtaining new members, by asking societies of which you are a member if they will include an announcement in their publication, about our organization. A suggested sample can be found on page 1, 1991 Issue 1. Your local newspaper genealogy columns are another source to pursue.

This issue concludes Volume VI, No. 3&4 surname index. Also included is Vol. I, No 1. I am looking forward to 1992.
John December 1991

A ROSE IS A ROSE IS A ROSE...

In the words of Gertrude Stein a Rose is a Rose by any other name would smell as sweet. But I wonder how sweet it would've been if a publisher had spelled that venerable lady's name STYNE or SCHTYNE. Methinks it would have struck a very sour note indeed.

A McVey is a McVay is a McVeigh. Or is he? Alas, we do not have the luxury of choice in the old spellings of our surnames. If public scribes and old census takers saw fit to spell our name with and 'E' in place of an 'A' or an 'EIGH' instead of an 'E'....So be it. We were forever more known by that spelling. Unless of course, the next census taker felt it should be with an 'AU'.

In spite of all the liberties taken with our precious names in the past, one fact remains indisputable; We are stuck with the spellings as we find them. Yes, dear cousins a McVey is a McVay is a McVeigh. And no matter how many ways we find our names spelled or misspelled, we must resist any temptation to alter or "fix" them. But we can and should make note of the various spellings on our family group sheets. We are family recorders. We need to record the facts as we find them. We know that history is history. And a legal document is a legal document and yes, Miss Stein, a rose is a rose.

Frances H. Lynch - Oct 1991

OHIO RESEARCH RESOURCE

Are you researching Ohio and having trouble locating a record? If so then try writing the library that archives that counties records. These centers were established in 1970. They generally charge very small fees for a through research into probate, church and/or school records, as well as newspapers. Each of these centers is trying to preserve Ohio History in their geographical area.

need for names, dates and places. Patient has blank expression, some times deaf to spouse and other family members, including pets. Has no zest for work of any other kind than feverishly looking thru libraries and court houses or spending hours at a computer. Has compulsion to write letters and occasionally swears at mailman, when he doesn't leave mail. Frequents strange places such as cemeteries, ruins, and remote desolate country areas. Makes secret night calls and hides phone bills. Some patients have been known to mumble to themselves and generally have a strange faraway look in their eyes.

There is **NO KNOWN CURE!** Medication is useless. Disease is not fatal but does get progressively worse. However some relief is realized by humoring patients with Genealogy Workshops, subscribing to Genealogy Magazines, upgrading computer equipment and giving them a quiet area of the house (with room for large files and extensive book shelf space). Generally speaking, the sicker the patient - the more he/she enjoys it.

IOWA Unstated Newspaper or Date (Peterson, Mary Ann)
McVey, Louisa was born Xenia, OH, June 22 1839. She, with her parents, came to Iowa when she was fifteen years of age. Six sisters and two brothers survive her.

She was married to Dement, Samuel G. Sept. 7, 1857, at Montezuma, Iowa. Five children were born to them. Two daughters reside in Cherokee Co., one in O'Brien, and a son in Cass Co, the youngest having died when but five years of age.

The family moved to Cass Co. in 1888, and lived there until six years ago. Since that time they have lived with their children, Mrs. Dement not being able to keep house.

She united with the M.E. church in 1859, at Forest Home, IA, remaining a faithful member until the time of her death which occurred Thursday, August 13, 1903, at the home of her oldest daughter Bruner, Mrs John, who lives in Cherokee Co. IA.

She had been a great sufferer for ten years. The suffering at the last was short, lasting about ten minutes, the immediate cause of her death being heart trouble.

The funeral services were held from the M.E. church in Sutherland, Sunday August 16, 1903. Whitfield, Rev. conducted the services.

Flinders, George played the organ, rendering first the Dead March in Saul, and for the closing, Angels Ever Bright and Fair. The grandeur and beauty of these classics was fully manifest under the masterly touch of Flinders, Mr.

The sisters and brothers of Dement Mrs., were unable to attend on account of poor health. Six grandsons acted as pall bearers. She was laid to rest in the Waterman cemetery. On account of a delayed telegram her son, Dement, Thomas of Cass Co. did not arrive until Sunday nite.

MCVAY-MCVEIGH-MCVEY FAMILY ARCHIVES QUARTERLY 1991 ISSUE 4

Card of Thanks

We take this opportunity to extend heartfelt thanks to all who so kindly assisted us in our recent sad bereavement. DEMENT, SAMUEL G.

RELATED ARTICLE

A telegram was sent last week Thursday night soon after Dement, Mrs. death, telling her son Dement, Thomas who lives in Cass Co. that she was dead. The telegram reached his town early Friday morning. The agent there put it in the post-office and Dement, Mr. got it Saturday afternoon when he called for his mail. He rushed home and with his family got ready and started for Sutherland Saturday evening. They got to Eagle Grove Sunday morning but there was no train west until nearly night. Then took a freight and arrived here after ten o'clock at night and went at once to home of Bruner, Pearl. Mr. Dement's first question was "Is mother buried yet?" She had been buried that afternoon. Dr. Dement says he has known the agent at his town for many years and as Mr. Dement's farm is only two and a half miles from town he considers that the agent was almost criminally heartless in not sending the message out to him. This agent seems to have been one of the sort who seem to think that humanity has no claim on them whatever. It is possible that he was within the strict rule of his company, but if he had any of the instincts of humanity it would seem that he would take a little trouble to help a man to get to the funeral of his mother.

IOWA

Dement, Samuel Gates died at the home of Bruner, John March 19, 1908. The funeral was held from the Bruner residence March 20th, Barnes, H. B. Rev. conducting the solemn occasion. Samuel was born April 19, 1823 in Tennessee, went with his parents in early childhood to IL and again changing his location to IA. In 1849 he removed to CA, where he resided for the period of seven years. In 1857 he was united in marriage McVey, Louisa Miss unto whom five children were born, namely Bruner, John Mrs. of Sutherland, Bruner, Charles Mrs. of Cherokee, Dement, Thomas of Anita and Dement, Frank who died in infancy. Mr Dement has been a member of Methodist Episcopal Church for many years and during all his sickness he evidenced his holy faith. His children made his last days sweet with their abiding love. A good man has gone to his just reward.

1920 Census

In 1978 The Mc V Archives published an extraction of the 1900 census listing all Mc V's from every state. The extraction was done by member WEST, Donal S.

Consider, that we have at least 21 spelling variations of our surname. That was a monumental task for one person.

The 1920 census is due to be released soon, would the members like to see a similar publication for the 1920 census?

If we could get volunteers to extract one state each, at a library near them, we could accomplish this, without placing too much of a burden on one person.

Could we also have a volunteer to head up this task, to co-ordinate the extractions?

Please drop me a post card, indicating your wishes and if you can help either with the extraction or be willing to be the chairperson.

BIOGRAPHY

McVay, Hugh L., planter, governor of Alabama, was born in 1788, in South Carolina, and died in 1851, in Lauderdale County. His father was a soldier in the Revolutionary Army, and a farmer. Mr. McVay was a brother of McVay, Zadoc Hon., of Lawrence Co. He received a limited education, and in 1807 came to Alabama and first settled as a planter in Madison Co. He represented Madison Co. in the territorial legislature of Mississippi, 1811-1818, and on the formation of Alabama Territory, moved to Lauderdale Co. in 1818, representing that county in the convention at Huntsville, which framed the State constitution, 1819. He was elected to the lower house of the State Legislature, serving from 1820 to 1825; and was elected to the State Senate in 1825, and served by successive elections until 1844. He was elected president of the senate in 1836, defeating Moore, Samuel B. by one vote, and in June 1837 when Clay, Gov. resigned to become U. S. Senator, discharged the duties of executive, by virtue of his office as president of the senate, until relieved of its duties by the inauguration of Bagby, Gov., in December. He was a Democrat; an extensive planter; and a member of the Methodist Episcopal Church. Married: Hawks, Miss, of South Carolina. One of his sons lived near Florence. Last residence: Lauderdale County.

RESOURCE - CIVIL WAR

If you consider your search for a Civil War ancestor complete once your letters have exhausted the information in the state and national archives, you are in for a very happy surprise. What may be one of the most exciting and rewarding parts of your search lies ahead. There are thousands upon thousands of records, both official and unofficial, that are not found in a personal file. These records vary from the precise and detailed battle reports and correspondence of the official records to the compelling stories of soldiers as found in diaries, personal narratives and the histories of the regiments in which they served.

This important set of books is the 128 volume "Official Records of the Union and Confederate Armies in the War of the Rebellion", popularly called the OR by Civil War Scholars. This work was begun in 1864 and printing was started in 1881 and completed 19 years later.

A companion set "Official Records of the Union and Confederate Navies in the War of the Rebellion" is called the ORN. This work was begun in 1894 and was completed 28 years later.

BITS AND PIECES

McVey, Wm. C. May 23rd, 1878 after 42 days of great suffering. He was born November 22nd, 1802, in East Tennessee. He was married to Harris, Mary January 29th 1823, she died April 20th 1876. He came to Madison County, IL in 1825, settled in Macoupin County in 1831, and has lived about 4 miles southeast of Nilwood, near the residence of his son McVey, J. W., at whose home he died. Was one of the old settlers and the last in his neighborhood. Was a member of the M. E. Church more than 50 years, to which he was greatly attached and died in the hope of eternal life. He was a good citizen, always acted along the line of his honest convictions; was actuated by a principle of honor., upright in his thoughts, just in his deed and true in his word; and enjoyed the confidence and good will of those who knew him. Three children are living: McVey, J. W., McVey, E. R. Dr., and McVey W. H. Rev.

Nilwood, Illinois

McVey, Mary was born in Tennessee, 2 June 1802, was converted and joined the M. E. Church in 1825, and died of apoplexy at her home in Macoupin Co., IL 30 April 1876. She was visiting her youngest son McVey, Wm. H. Rev., of the Illinois Conference, the week preceding her sickness--came home on

Saturday evening she fell on the floor, and after seven days suffering she was not, for God took her. Sister McVey was for more than 50 years an acceptable member of the Church and all that time her house was home for the itinerant; as wife she was faithful, kind and trusting, as a mother, constant, careful and sympathetic, a true friend to the afflicted. The funeral preached by the minister, and burial service read by Bardrick, D. Rev.

The above articles are certified to be a true and correct copy of two printed documents pasted on page 688 of McVey Family Bible. Apparently papers are clippings from some Newspaper, probably and official publication of the Methodist church. Clippings are undated. Subjects are regarding my great grandfather and great grandmother respectively, and are the subjects of Exhibit Three. Signed by McVey, Clarence L. at Babb, Montana 15 Feb 1948.

EARLY VIRGINIA RESOURCE

Mid to late 1880's Virginia was composed of what is now West Virginia and Kentucky. In October of 1786 the Virginia General Assembly passed a law providing for the 1787 taxes. The law was repealed in October of 1787. The 1787 tax lists are unique, and make this of particular interest to genealogists. A form was included as part of tax law and contained: (1) date of receiving list from individuals, (2) name of white male tithables above 21, (3) number of white males above 16 and under 21.

(1) (Col. 1) Before this the taxpayer set up an office and the taxpayer came to him. The new law dictated that the commissioner was to call on every person subject to taxation. It is obvious that the persons whose lists were collected on the same day would have been neighbors.

(2) (Col. 3) Every white male over 21 years is listed by name. NOT just heads of household. This means that you will find names of sons/sons-in-law/grandsons/fathers/hired workers-and they will be shown in the household in which they lived. (Some lists give relationships to head of household).

(3) (Col. 4) Number of white males above 16 and under 21: In many lists their names are given.

Other information includes, persons names chargeable with the tax, blacks above 16, blacks under 16, horses/mares/colts/mules, cattle, carriage wheels, ordinary licenece, billiard tables, nos stud horses, (unreadable), practicing physicians/apothecaries/surgeons.

The information is available in a 3 volume set or by individual counties. A surname search is also available for a fee, refundable with a book order. Available from: Genealogical Books in Print, 6818 Lois Dr., Springfield, VA 22150.

APOLOGY

As we were printing this issue of the quarterly from the computer the printer quit working.

A different printer was used and the type size is different, thus every page had to be reformatted. The reformatting has caused some data to be shifted around and articles are continued on different pages. We did try to "catch" all of changes and note them. If we missed any our apologies. I hope that by the time we print out the 1992 Issue 1 we will be back to normal.

Thanks for your understanding!
John

STATEMENT ON RESEARCH CHARGES

This notice received just before quarterly was ready to be mailed to the printer:

(see Ohio Resource Article)
Effective July 1, 1991, the Archives and Special Collections Department in the Ohio University Libraries will switch to an hourly rate for genealogical search request by mail. Each hour a staff member spends on a particular search will be billed at \$20.00 per hour, pro-rated by the quarter hour. Photocopying of records will remain at .10 cents per copy.

Archives and Special Collections lacks adequate staff to conduct broad genealogical research in response to mail requests. Patrons who request searches by mail should specify the information desired as clearly as possible, stating the county of residence, the type of record, full names, relevant dates, etc. If we can be of assistance, please write or call us at Archives and Special Collections, Alden Library, Ohio University, Athens, OH 45701-2978; or telephone: 614-593-2710.

DEAR COUSINS:

There has been a considerable time span since we have had any communication within our family. Too long for our best interests. However, this is not the fault of anyone within our organization. Our President/Treasurer, Agnes McVeigh Brooks, was involved in a move from California to Maryland and then from Maryland to Norman, Oklahoma, within a six month period. This packing and unpacking of our files, which is the data that you folks have submitted to Agnes, is the main delay in our publication of the quarterlies. The movers did a fine juggling act on these files which destroyed a considerable amount of the continuity.

In a short time you will receive a notice for your dues. They will remain at \$7.00 for this period. However, there will be an increase for the next dues period. The prices for printing and postage have increased considerably. Our experience from this quarterly will determine what the new dues increase will be.

DEAR COUSINS:

I do understand why NO ONE has been able to take over and DO THE QUARTERLY. I hope you all understand my absence from this part of our organization for the past two and a half years. We all have other obligations, and sometimes extra ones occur.

This new format is the size we are able to afford - at this time. I regret not being able to publish the chart of every new member as he or she joins. I felt that was one of the High Lights of our publication. Members could find close cousins with whom to correspond. We'll use the new format for the charts, publishing them as fast as possible. Our special thanks to Lora Miller for typing the information for this issue.

Please send information to Mickey, and she will send it to a member who has volunteered to type. The information will be typed on separate pages - certain categories - with the name of the contributor. Then this copy and the original will be sent to me. This will enable me to have available a reservoir of information for a quarterly on a regular basis. Our new member, Marsha Lybbert, has typed information for this special file.

Mickey asks that our volunteer typists please let her know how much they can do and if they still want to help. Just send a postcard to Mickey with the information. And if anyone else wishes to volunteer his or her time and talent, please let us know!

A copy of NEW SERIES - NUMBER I, 1984 is being sent to every one on our mailing list. Please advise me of your continued interest, by postcard. A dues notice will be included in NEW SERIES - NUMBER 2, 1985 which will be printed and mailed in February.

I know you all realize how much time is involved with your own research. Just multiply this by over 400! We all owe a deep debt of gratitude to Mickey Paulk, who does a tremendous and super human job. Our sincere thanks, Mickey, from all the members.

Sincerely,

Agnes McVeigh Brooks
(Mrs. Clifton Rowland Brooks Sr.)

McVay - McVey - McVeigh Family**

From Penn in Hand, the Genealogical Society of Pennsylvania, June 1982, Vol III, #3 April Meeting: Dr. Raymond Martin Bell, a Fellow of GSP, gave a presentation on "The Scotch-Irish Settlement of Pennsylvania." The Scotch-Irish migration to America began around 1700, for religious, political, and economic reasons. Most were Presbyterians and not permitted to have churches or hold political office. The rent increases of 1717 resulted in a large wave of migrations. Most landed in Philadelphia. The Scotch-Irish tended to push out into the frontier. In 1720 they were in Bucks, Chester and Lancaster Counties. By 1730 they were in what is now Dauphin and Cumberland Counties. By 1740 they had moved south into Virginia and the Carolinas. By 1750 they had pushed north into the Juniata Valley of PA. In the 1770's many settled in Southeastern PA. It is not easy to say where to look for records on the Scotch-Irish. They didn't have much time on the frontier to write down family records; besides, paper was scarce. They were happy just to be alive. Any family information written down probably was recorded in the Family Bible. Church records are scarce. Unlike the Quakers, the Scotch-Irish did not keep detailed records. For those who settled in Southeastern PA, you might have to consult VA records. Some suggestions: check the Presbyterian Historical Society in PA for church records; check with the US Post Office Dead Letter Office; read all the local histories; study the migration trails.

Families pushing into the frontier tended to migrate every ten years. If you learn that your ancestors "went west," find out where the West was in those days - it might have been in PA. Check all the usual places - cemeteries, court records, newspapers, census returns, Salt Lake City, etc. Read some of the many books written about the Scotch-Irish. Make sure of the county boundaries of that day. Search early Land Office Records in PA. The PA State library in Harrisburg is a good place to research. Revolutionary War records of PA soldiers are in Harrisburg, not Washington. Probably the best place to research is the county court house - wills, bonds, inventories, etc. Go through tax lists. Pension records should also be researched.

Iowa State Historical Department, Division of Historical Museum and Archives, Iowa Historical Library, East 12th and Grand Avenue, Des Moines IA 50319

The Iowa Historical Library is finding it necessary to curtail a heavy correspondence load. A small staff of three persons is no longer able to ser in-patrons, to manage library, manuscript division, early archives and a growing query section from all over the United States. We're sorry. Serving people via letter has been one of the most satisfying experiences. We will always cherish the friends-by-mail we have found. But let us help you in this way. Below ou will find listed several persons who specialize in genealogical research. They also, as needed, investigate manuscript collections for historians unable to make a lengthy trip to Iowa. Their fees are reasonable. Contact one of them.

From The Maine Seine, Maine Genealogical Society, July, 1982 issue: GENEALOGY PITCH AWRY: MRS. BAYLEY - The Dallas Times Herald recently directed readers to the Beatrice Bayley mail order business. Most of us are aware of "her" offer on a post card for :family heritage books" for \$29.95.

Tom Ziebarth, it seems, received one of these cards offering a book about "the rare and distinct Ziebarth name." Bayley's card also arrived in Jack Delorenzo's mail box as well.

Ziebarth, says the Times Herald, is a lawyer in the consumer protection division of the US Postal Service headquarters in Washington DC. He had already received numerous complaints about the books which are really published by a firm using the fictitious name of Beatrice Bayley, contain general information about American pioneers, the history of family names and crests and how to research a family history. Blank pages provide space for filling in your own family tree. A list of names of others with your name, gleaned from telephone directories, complete the scenario.

We might add that Sharon Taylor has come out with a similar offer, using as a selling point, a color photograph of herself holding "your book." Has anyone ordered one and wishes to comment on this one? We're all ears.

Remember - obtain documentation for all your information!

I saw your inquiry regarding McVay family records in the Scottish Genealogist, and I would like to contribute some information about one of my forebears ANN MCVAY. Unfortunately I do not have much info. about ANN MCVAY at present because I have not had any luck following up the obvious lines of inquiry. All the info. that I have regarding her and her descendants is the following: ANN MCVAY (maiden name) presumably m WILLIAM LEICESTER (engineer), but have not located marriage record yet. The couple had a dau. EMILY LEICESTER, who was b 4/10/1842 at Green Lane, Battersea, in the County of Surrey. EMILY LEICESTER m a widower, RICHARD FLOYD, aged 36 and a licensed victualler, at Christ Church Everton in the registration district of West Derby and Toxteth Park (Liverpool) 7/6/1874. ALGERNON LEICESTER FLOYD was b to this couple 19/6/1876 in the registration dist. of W. Derby and Toxteth Park (Liverpool). ALGERNON LEICESTER FLOYD m ELSIE KATE JACKSON 20/4/1897 in the registration dist. of W. Derby (Liverpool). Ten children were born to this couple. I only have details about one of these children (my grandmother), EMILY BEATRICE FLOYD, who was b 22/11/1897 in the regist. dist. of Walton (Liverpool). EMILY m SAMUEL THOMAS JAMES 26/6/1917 at Wandsworth, County of London. My mother, HANNAH MARGARET JAMES, was b to this couple 10/6/1920 at Scotsdale, Tasmania. I hope this will be of some use to you, and I will write again when I find more info about ANN MCVAY.

J. MCVAUGH - RESEARCH BY MAX R. MCVAY

Dear Martin:

I read with great interest your book on the Family Genealogy. For several years I have been making trips to Harrisburg and Washington, PA for genealogy research. My wife's home is in Harrisburg, which gives me a good excuse. I have collected a good bit of data from these trips, and your book motivated me to put this information in circulation. This information will clear some confusion and possibly create a lot more.

To start with, Boyd Crumrine's History of Washington Co., PA Morris Township (See Attachment #1) establishes that a J. McVaugh was in Demas Lindley's party. I have assumed all along, right or wrong, that J. McVaugh was a single individual in the way it was presented. I do agree with you that he was at least 14 years of age and possibly older. In those days a boy at that age was doing the work and assumed the responsibilities of an adult. The Ten Mile Country and Its Pioneer Families by Howard L. Leckey, pgs 458-459, Ruffs Creek, (See Attachment #2) states that "the party turned back for the following reason due to the bloody Indian Wars."

From 1773-1774 to about 1780, it must be assumed that John McVaugh staked out his claim to the land he wanted, cleared it for cultivation, and made the improvements.

In the year of 1780, he accomplished two things. He joined the Chester County Militia and was enrolled in the Fifth Class, Capt. Peter Strode's 5th Co. (See Attachment #3). Also he married Sarah Rude, dau. of John and Sarah Rude. This info. I obtained from the Papers of Anna Pearl McVay in the Ohio Historical Library, Columbus, Ohio.

In 1781 John McVaugh made application to the Pa. Land Office for 400 acres of land (See Attachment #4). On Feb. 20, 1786, he was granted the warrant (See Attachments #5 & 6).

On April 30, 1783, at a meeting of the Tenmile Presbyterian Church at Lindley's Fort, there were 16 persons who were desirous to join the Church in Communion. One of these listed was "Mary McVaugh, W. of old M. McV" (See Attachment #7). Is this Mary McVaugh, John McVaugh's mother? If so, did she come to Washington Co. with him in 1773-74, or did he go to Chester Co. to enlist in the Revolution and when he returned bring her with him at that time? Also listed in this group is a Benjamin McVaugh. He is not part of our family unless he is a brother to John or a relation prior to John.

On Oct. 6, 1795, John Rude and Sarah, his wife, sold seventy five acres of land to John McVaugh Sr. and his son Edman (See Attachment #8). This was 22 years after the original party migrated to Washington Co. that we now have a Senior and Son. I do not believe these McVaugh's are of the same family. Related, it's possible. The Rudes purchased this land in 1786 from Joseph Lindsley.

On April 14, 1800, John McVay purchased 50 acres of land from John Doty. This land adjoins John McVay's (See Attachment #9) and the map of land holdings.

In 1804, the Commonwealth of Pa. issued a deed to John McVaugh for the 400 acres of land that he made application for in 1781 (See Attachment #10). In the deed John paid the sum of fifty-nine dollars and fifty cents. This is fourteen dollars and eighty-seven cents per acre. There is considerable difference in the final cost and the cost stated on the original application. Interest was supposed to start from 1781 when the land was improved and the price of the land was established at Ten Pounds per hundred acres. Possibly John received credit for his service during the Revolution.

In 1805 John McVaugh and wife Sarah sold 274 plus acres of land to Richard Hathway. This land transaction is very significant for two reasons. First, it is the first formal document which reflects that John has changed his name from McVaugh to McVay. Also his son, Jacob, as a witness had changed to McVay. Second, this document clearly states he is the original John McVaugh who came with the original party from New Jersey and who patented the original claim

among the others with the State Land Office (See Attachment #11). In Anna Pearl's papers she wrote a note (to herself), "I wonder how John McVay disposed of his land? I wish I had checked with the land records." The answer to her question is as follows:

The original land patent	400 acres.
Purchase from John Doty in 1800	50 acres
Total	450 acres
Sold to Richard Hathway on Dec. 2, 1805	274 acres
	176 acres remaining
Will of John McVay filed 24 Feb. 1826 (See Attachment #12) - John bequeathed to his sons Abraham, Samuel and Isaac 50 acres each	150 acres
	26 acres remaining
Remainder of Farm to Jacob and John equally	26 acres
	00 remainder

On 22 Feb. 1826, an Article of Agreement between Sarah McVay and Samuel McVay, Abraham and Isaac McVay was entered into for the care of their mother (See Attachment #13).

I believe this research has established without a doubt that J. McVaugh of the Demas Lindly party is our ancestor John McVay of 1759-1826, of Washington Co., Pa. After putting this information together, I still cannot find a place or a connection for these other McVaugh's that are appearing 10 to 20 years later. I intend on my next trip to Harrisburg to return to the Land office and check the maps of Amwell Township and the northern tier of Greene County for land patents held by McVaugh's. These people were farmers and needed land to survive so they must have staked claims somewhere.

After reviewing this information, I would appreciate and desire your opinion on this information. Any information you can recommend for future research is also desired.

MCVEY HISTORY - IN PARTICULAR THE MCVEYS OF BALTIMORE COUNTY, MARYLAND - OR THE MACVEIGHS AS THEY WERE FIRST KNOWN IN CECIL COUNTY, MARYLAND - BY C. ARTHUR MCVEY

This is a brief summary of my search of the McVey History, in particular the McVeys of Baltimore County, Maryland - or the MacVeighs as they were first known as in Cecil County, MD. My great grandfather is known as McVeigh in 1880 in Harford County, Maryland and my grandfather is recorded as "Francis John McVeigh" at Our Lady of Mt. Carmel RC Church in 1901. But earlier, in 1880 at Bush Methodist, he is known as "John Frank McVey" along with his sister, Ida Mae McVey and his brother, George Howard McVey in a triple baptism in November of that year. These names are verified in the "McVey Family Bible: of John J. McVey presently in possession of Raymond Frank Fogle of Baltimore, son of Jessie V. (McVey) Fogle, Frank's sister.

My great great grandfather, John McVey, born in PA 7 Mar 1821; died 15 Jan 1894 in Harford County MD. He was married to Elizabeth ? born ? August 1828 in PA; died after 1900 in Harford County MD at my great grandfather's brother's home, George William McVey. I have been unable to locate her burial site - more than likely in PA. Census records indicate John McVey's parents born in PA. This is the same for Elizabeth (?) McVey's parents; also born in PA.

John McVey (1821-1894), George William McVey (Nov 1858-1940), George's wife, Sarah F. (Sallie Markline) McVey (Jan 1858-1925), an unmarried daughter of George W. and Sallie McVey, Mary (called Pearl b April 1886, d 1937) are all buried at Smith Chapel Methodist, just outside of Churchville, Harford Co. MD.

Another daughter of George W and Sallie McVey, Elizabeth (called Minnie b Feb 1891 d Dec 1969) married a Walker. The Walkers had two daughters, Bessie who married a Richardson and Doris who married a Watkins. Bessie born Nov 1909 m George Richardson 26 Jan 1934 and they had 2 children,

Charles Lee Richardson and Patricia Ann (Richardson) Liptrap. Bessie Richardson, as well as the Walkers, lived in Fallston Harford Co. Bessie is now in a nursing home in Towson MD.

John J (James or Joshua?) McVey (b Oct 1850 d Nov 1903), my great grandfather was b in MD. He married Martha Elizabeth Hoopers 29 Oct 1872 at the York Methodist Church, York Co PA. Martha E (Hoopes) McVey b 1 Dec 1853 d 4 Jan 1936. Both are buried Or. Methodist Church, Middle River MD in Baltimore Co. Martha McVey b Lancaster Co.

John J McVey (1850) and George W McVey (1858) had a sister Mary Jane (a good Quaker name) b about 1847 in PA. (I am assuming George named one daughter for his sister.) No further information is known about her.

George William and Sallie McVey also had a son George Clifford McVey - called Uncle Bud. He married Mary Alice Chalk and they eventually moved to Drumore Twp Lancaster Co PA. They had 3 children - James Emerson McVey, George Edward McVey and Ruth McVey, when Clifford as well as his wife, Mary, died suddenly.

It was at this time then that George William McVey, his wife, Sallie, and their unmarried daughter, Pearl, moved to Drumore to raise the three young children. In 1925 Sallie (Markline) McVey, wife of George William McVey died. My Uncle Pete (Frank Martin McVey) recalled driving his father (John Frank McVey) to Rising Sun for the funeral. My father, Louis John McVey, was in Ohio at this time. This was my grandfather's Aunt Sallie.

James Emerson McVey, son of George Clifford and Mary Alice (Chalk) McVey did not marry but died in March 1961 at the age of 48 in the Philadelphia VA Hospital. He had been badly wounded in WWII. Ruth, daughter of Clifford and Mary McVey, married Paul Boyd and lived in Nottingham PA.

After gathering this information, I started looking into other records, church as well as government. I also put questions in various genealogical magazines and journals with the idea other McVeys might be looking for information. Finally in 1974 all interested people formed the McVay-McVeigh-McVey Family Archives to exchange information. Surprisingly more than 400 people are now members and indeed this shows an interest in our name.

One fact was established very early: Daniel McVey was in Cecil County about 1750-1755, though his name was McVaugh before coming to Maryland from Upper Dublin Twp in Phil - Montgomery Counties PA. It seems when he bought land about 1790 in Lancaster County, the records - as well as the 1790 census - changed the spelling to McVey. Daniel had about 10-15 children and most who remained in MD adopted McVey as their name. Those who settled in Delaware or Chester Co PA retained the name McVaugh. Of course his descendants with name McVey confused our family's history.

Another fact: Daniel McVey is grandson of Edmund MacVeagh-Vaugh-Vaugh and Alice Dickinson. Both came to Phil. from Britain about 1682-1683, as Quakers, married about 1690. Then late in 1975 we were fortunate to have Mr. Jeremiah Leslie Brown join the McV Family Archives. Les was named for his grandfather, Jeremiah McVey and Jeremiah Brown. He had worked on collecting McVey information for 50 years and at the time he was 82 years old. He died 11 Feb 1984, before this summary. Les was descended from Daniel McVaugh-Vey back to Edmund. He was a born Quaker as were most McVeys until 1800-1850. This was true of our family, too.

After meeting with Mr. Brown to compare notes of the McVey family, he told me quite frankly, "I don't see how you could fit into Daniel's family." I agreed since he had the McVey family very well organized up until the present. So we figured perhaps Daniel's twin brother fathered my branch and there was absolutely nothing available about Stacy. Did he survive? I worked on the Stacey (Stacy) angle for several years before I finally had to give up on it. But then suddenly, information I had gathered more than 25 years earlier seemed important.

The first information I had collected was about 1956 and was the Oath of Allegiance to Maryland sworn to Justice Samuel Bond in March 1778 in Cecil County MD. All signers were above 16 years of age. They were: John McVeigh and Jacob McVey - signed together (investigation proves father and son). (There may have been others but at the time, I was concerned with the Very spelling.)

Then in April of 1778 a marriage license is issued to Samuel Bond and he eventually married Elizabeth McVea (Mrs. Robt. I Prewitt - descendant - 6135 Glennox Lane, Dallas TX 75214). I was puzzled and could not figure the origin of these people. Were they related?

An Edward McVeigh was also issued a license in Jan 1790 and he married Isabell Jenny (?) (Janney). It turns out Edward is the son of Daniel McVey-McVaugh and Rachel Burke. He is named for his maternal grandfather, Edward Burke (whose will he is listed in - Phil).

Then I came across the following information in early 1960: MD Calendar of State Papers -: It was a petition relating to Jeremiah Baker and Cecil County Militia of 3 Mar 1776. It was signed by 5 McVeys (Jeremiah Baker was ancestor of my grandmother Catherine I Baker McVey, wife of John Frank McVey). John McVeigh, Sr., Benjamin McVey, John McVey son of Benjamin, John McVey, and Jacob McVey, son of Benjamin. (Petition accepted 4 Mar 1776, Baker appointed Captain in July 1776).

This made the McVey picture very confusing!! Who were there people? Were Edmund's grandchildren and great grandchildren (I thought) moving to Maryland?

But three names started appearing in records 1776-1800 with variations, John, Jacob and Benjamin McVey, Vea, Veigh. But the original Benjamin seemed to disappear by 1782. Where did he go?

At this time I started an investigation into Daniel McVey-McVaugh and his family. I know he died late 1800 or early 1801. His property was left to about 6 minor children. Also in 1800 - according to records of Les Brown - an older John McVey bought land in Little Britain Twp, Lancaster Co PA. I assumed this John was an older son of Daniel, a John McVey who had married Mary Shields, gone to OH about 1787 and returned for his father's illness, all the while deciding to remain. Therefore I did not bother with John of Little Britain.

Then records of Cecil County burials showed a Jacob McVey buried at Logan Farm, with later notations of McVey and McVey. Who was this Jacob of Logan Farm? Tax records at this time show two Jacob McVeys in Cecil County. "Jacob of Logan Farm" is the son of John? or of Benjamin? Jacob of Logan Farm b 1754 d 1809 (Eventually I prove this Jacob of Logan Farm is son of Benjamin.)

We know John McVey showed up in McVeytown area in 1787. John of McVeytown died about 1824. In exchanging information with his descendants it was discovered this John also recorded as Mevey. We are aware John of McVeytown had at least 2 brothers - Enoch and William.

The next note of a McVey I discovered was "Enoch McVeys in Ohio, 1816." This was found in Uriah Brown's publication (by Md Hist. Soc 1916) "Travelers in the Ohio Country" (by Md Hist. Soc 1916) "Enoch McVey, a native of Cecil County."

Then I received a letter from Anne Greenwood of Washington DC. (She is a descendant of Absalom McVey of Bay View MD who settled Sedalia MO about 1830-35.) In this letter she mentioned two wills she had discovered in Maryland. One was a will of John Mevey-McVey-McVeigh (three spellings used throughout the will) which was written 24 April 1794. (Note a John McVeay was listed in Cecil County in 1800 but he turns out to be John of Little Britain, a grandson of Old John - 1794 - but more on him later.)

**Pascagoula Public Library
Local History & Genealogical Dept.
McVay - McVey - McVeigh Family**

John of 1794 - will - wife, Mary ? - children: Benjamin, Jacob, Sara, and Ann Willocks. There is no Enoch, no William and no Elizabeth McVea Bond! Still no order but more confusion added to the mess! The second will was of Jacob McVey, dated 23 Mar 1802. (This Jacob is the son of John Above) Wife, Mary ? - children, John, Benjamin, Henry, Jacob, William, Andrew, Mary, Eloner. (This John is John of Little Britain.) But this is not Jacob of Logan Farm. There also is no Enoch or no Elizabeth McVea Bond. Still confusion!!

Three names are continually used: John, Jacob, and Benjamin. There is no John, Jr. to equate with the John McVegh Sr of the Baker Petition. At this time I assume John McVegh Sr was a typical Colonial custom of oldest man with same name used Sr in order to distinguish himself. I might also add "of Benjamin" or "of John" or "son of Benjamin" leads me to suspect Scottish or Irish or Scotch-Irish origin of this family, present by 1750 if not slightly earlier - 1740 perhaps.

We know of Old John, Old Benjamin, but where is Old Jacob? Old Jacob was tracked down in Southwest PA after 1790, from Pequa PA (just over MD line) formerly from Valley Forge PA - during the Revolution. His wife's name was Nancy Passmore. A biography of Jacob mentions he came from Ireland in mid 1700's. His one son in SW PA is Thomas, and an unnamed daughter. Children of his son Thomas are Benjamin and John. Old Jacob dies in 1814.

Suddenly I decided there is no relation or kinship with Edmund MacVeagh-Veigh-Vaugh of Philadelphia County! Instead three brothers, John, Benjamin, and Jacob came from Ireland! Then perhaps a generation earlier from Scotland. Therefore Scotch-Irish (Scotch-Irish big movement into Colonies 1700-1770 from Northern Ireland.) The Scotch-Irish brought with them whiskey distilling secrets and a fierce hatred of the English and a dislike for Irish Catholics.

In 1978 I received following information from Gary Burns of Havre de Grace MD: Thomas Burns m Ann Patterson abt 1800. They had 3 sons - Samuel, Henry, and Jonathan P (Gary's ancestor who m Jane Alexander). Samuel m Susan Taylor. The third brother, Henry Burns, m Hannah McVey in 1832. She was a daughter of Jacob and Amy ? Mevey-McVey - both buried Logan Farm in Cecil County. Hannah was b abt 1800 d after 1870.

Les Brown sent me a copy of William Thompson Tamsey's letter of Oct 1877 stating: "My grandfather, Jacob McVey, owned 600 acres of fine timberland in Cecil County....Jacob had 7 brothers, 6 of whom went west about 1770. His other brother, Passmore, remained in MD....Built Becon Hill abt 1790 and died abt 1824." (As it turns out, the dates Jacob's brothers went west were 1783-1787. Also Passmore's will probated 1844. Passmore m Eleanor McCullough 17 Sep 1787 and had one daughter who also m a McCullough. In 1832 Passmore m Elizabeth Jane McKinney - no children. In his will of 1844 Passmore gave one dollar to each of his 3 grandsons - McCullough - Rest of his property to Jane, his wife.)

William Thompson Ramsey owned a portion of Jacob McVey's timberland. He did not marry. He was a brother of Hannah Ramsey Atkinson. Parents of Hannah and William were William Ramsey and Martha McVey. Martha McVey was dau of Jacob and Amy ? McVey, buried at Logan Farm. Martha (McVey) Ramsey (14 Dec 1792-15 Mar 1834) m William Ramsey 18 Feb 1813.

Then Dora Alexander (RD 2, Box 361 D, White House Station NJ 08889) and Janet Strauss (Durlach Rd RD 1, Ephrata PA 17522), descendants of Jacob of Logan Farm, sent me the will of Benjamin Meve, written 28 Nov 1780, probated 22 Feb 1781: wife, Martha (Passmore) - at will's probate she refused to make oath of truthfulness but sons Jacob and Benjamin did make the oath - reason, Quaker. Children named in will: John, Jacob, William, Benjamin, Elizabeth Bond, Edmund, Passmore, Enock, Hannah and George.

People wondered of significance! Of course it solved mystery of Old Benjamin of 1776. We also can pinpoint Enoch McVey as well as Elizabeth McVeigh Bond!! William is located as well as John of McVeytown. Elizabeth Bond died about 1785, Samuel Bond remarries and moves to Winchester VA. (Samuel and Eliza-

beth (McVeigh) Bond are the parents of Benjamin, Eli, and Sarah.) Hannah, the other daughter (often called Ann) does not marry but lives with Jacob and is also buried at Logan Farm. Margaret Dean, 3208 S Utica, Tulsa OK 74105, is a descendant of Enoch.

Now, however, I can state with confidence the McVeys of Baltimore County are not descended from Benjamin McVey-Meve-McVey. Two sons of Benjamin remained in Maryland - Passmore and Jacob of Logan Farm - and both had only daughters.

Jacob of Logan Farm - if you recall - died on 11 Apr 1809 without a will. Jacob's estate was finally settled in court by son in law, William Ramsey, in Apr 1817. The settlement was difficult to read but seemed to be:

- | | |
|-----------|--|
| Parcel #1 | Amy McVey - 120 A (widow dower right) |
| 2 | Martha and Wm Ramsey - 125 A |
| 3 | Harriet and Able Marple - 108A |
| 4 | Hannah McVey - 68 A (married Henry Burns) |
| 5 | Amy McVey - 75 A (married Reed) |
| 6 | Edith McVey - 106 A - no further information |

How did the Logans enter the picture? We must return to the Burns family:

Children of Henry and Hannah (McVey) Burns:

1. Alice Y m Georg H Logan
2. Mary A m John P Logan
3. Thomas
4. Benjamin M (McVey?) - d Civil War - buried Logan F
5. Amy M (Martha?) m William Lewis
6. Jonathan P (Patterson?) - died Civil War - buried Logan F
7. Joseph P (Passmore?)
8. Henry Jr. m Margaret ?

It seems apparent one of the two daughters received the "new" house Benjamin had constructed for wife, Martha (Passmore) Meve which she assigned to Jacob in 1786, and it then passed to Hannah with 68A (her portion no doubt smaller because big house is located on it) 1817. It also would be interesting to see if Amy's parcel - #1 - is further divided up amongst the daughters or sold outright.

Regardless, buried also at Logan Farm:

Mevey - Amelia - dau of Jacob and Amy b 1784 d early Sep 1806
Benjamin - son of Jacob and Amy b 1794 d late Sep 1806
Jacob - father of five - d 11 Apr 1809
McVey - Ann McVey d 1825 (unmarried sister of Jacob - oftentimes called Hannah
Amy McVey wife of Jacob O d 1835 - about 60

Probably Benjamin and Martha, parents of Jacob, are buried in this graveyard, too.

Next is the deed executed by Martha (Passmore) Meve and son Jacob Mevey - in Aug 1786, effective Feb 1787. Briefly this deed restates Benjamin Meve's will, its terms, children, minor children to be educated. Since provisions of will fulfilled Martha to receive payment yearly (an annuity) in MD coin - or special- for house. Recorded 6 Feb 1787.

Apparently all sons but Passmore and Jacob were gone now and at first I thought Martha wanted to stay with son Edmund as well as Old Jacob's wife, Nancy (Passmore) McVey (Vay) in SW PA. This seemed obvious since a will of Edmund in 1814 stated "care for my mother" in SW PA. The only question in my mind was the mark X in the will since it seemed MD McVeys could at least sign their names. This was in 1982.

However, a short time later - 1984 - Lois McVey of Albuquerque NM pointed out a will of one Edmund McVey who died in 1790-1791 and was married to Jane Haines (1772-1852). It seems Edmund left her a widow at the tender age of 19 or 20 - either with a baby or pregnant. Area SW PA. In his will, Edmund leaves property to his brother, Benjamin, and mentions his brother, William. If Edmund has no children, residue of his estate, expected from his parents, to be divided among his brothers and sisters except "His brother Jacob." The tone of will implies his mother had died shortly before Edmund's will. Jane Haines McVey, Benjamin and his wife, Prudence, some afterwards sell the property - probably by 1796 when Jane Haines McVey marries Asa Cadwalader (?) in Greene Co (SW PA) at Westland Friends (Quaker) Meeting.

McVay - McVey - McVeigh Family**

As stated earlier, Enoch McVey, brother of Jacob and Passmore, shows up, unmarried, at present day McVeytown PA 1788 and 1789. In 1790 he marries Elizabeth Lyons (Betty McVey Myers in Wakefield Bible). Enoch and family are found in Miffling County in 1800 - McVeytown area.

The Enoch McVey family then shows up in Cecil Twp of Washington Co PA 1810. Then according to Brown's Journal of his travels to and through OH we find Enoch McVey in OH in 1816.... "Amongst New Englanders" outside Zanesville.

The 1820-30-40 OH census then lists Enoch McVey (Vay) as residing in Rich Hill Twp but he is not found here under McVey(Vay) in the 1850 OH census. Instead we find him in 1850 under Mevey, age 82, born in MD. Sometime after this he probably dies because his son, George, is listed at this location and later grandson, by 1880.

I cannot exactly detail the travels of Benjamin, George, and William as in Enoch's case. However, the gravesites for Benjamin and wife Prudence are located at Robinson Run Church in SW PA. William lives until 1850 in SW PA with his birthplace listed as NJ.

John McVey of course remains in McVeytown PA where he dies about 1824-1828, and a number of his descendants still reside in the area. Betty McVey Myers, descendant - 455 Tomahawk St Park Forest IL 60466.

With Les Brown's records of Daniel McVey(Vaugh) family organized and updated until 1970, we can eliminate this as our origins. We also rule out Benjamin since his two sons who remained in MD has only daughters. At this time I see no reason for any of his other sons as our ancestor since there is no known record or fact which might support this contention. It would appear the only logical choice is the remaining brother, John McVegh. In the first place the overwhelming evidence with the names supports this theory.

My father's name was Louis JOHN McVey (though Mt. Carmel church records show JOHN Louis McVey). My grandfather's name was JOHN Frank McVey (see first page). My great grandfather's name was JOHN J (James or Joshua?) McVey. My great great grandfather's name was JOHN McVey. It is through the family in selecting this name was trying to tell future generations of their origins!! I believe at this time John McVegh is the grandfather of John McVey of 1821. At this time I cannot pinpoint his father, but as time allows I shall diligently pursue this thought and hopefully I can add to this summary.

In the past year I have carefully attempted to reconstruct the Meve-McVea-McVeigh families and their relationships. In January I received information which conclusively pointed out John McVey of Little Britain was son of Jacob (174601802) who in turn was son of John (1794). This family generally used McVeigh as its name but more and more used McVey and in doing so, mixed in with McVaugh (McVay) family, or descendants of Daniel McVaugh.

Jacob (1802) and Mary's family (courtesy of Marily Opfer, 10202 Ranger Rd., Fairfax VA 22030):

1. John 3 Sept 1772 - 16 Nov 1840 wife Mary died 1844
2. Benjamin 6 Nov 1774 m Rebecca Baker abt 1807 - not proved
3. Andrew 14 Dec 1776
4. Henry 6 Dec 1779
5. James 15 Dec 1781 (prob overlooked in will - unintentionally)
6. Mary 22 Feb 1784 m Thomas Sansbury
7. Jacob 12 Aug 1787 m Elizabeth ?
8. William 4 Apr 1790 m Mary Bailey d IA 1869
9. Eleanor 22 Aug 1793 m ?? NFI

To reinforce this family we have land deed of 28 July 1834 between Jacob McVey Sr (#7 47 y) and his wife, Elizabeth, (of MD); then Thomas Sansbury and his wife, Mary (McVey) (#6 50y) (of PA); William McVey (#8 44y) and his wife, Mary (Bailey) (of MD). Jacob, Mary and William being "the party of the first part.: The party of the second part is Thomas McVey. Thomas McVey purchased "tract of land

left them (party of first part) by their late father, Jacob, of Cecil County, and it was originally held by Jacob's father, John, late of Cecil County. Later Benjamin McVey Sr swore confirmation of people. This establishes "Jacob son of John" as outlined above. Also, "Jacob son of Benjamin" alias "Jacob of Logan Farm" is now readily identified.

William and Mary (Baily) McVey packed up shortly after land sale and show up in OH. They later move to IA where William dies in 1869. (Descendant Marie Davis, 912 Sunrise Drive, Salina KS 67401)

I have yet to figure out Thomas's relationship, but I do suspect him to be son of Benjamin who married Rebecca Baker since Thomas is a "Baker name." Benjamin of Baker marriage buried Brick Meeting House.

There is also a James McVey, b PA, and his wife, Rachael, b PA - both buried Brick Meeting House, Calvert MD. James, b 1790 d 21 Mar 1870 - Rachael b 1803 d 30 Dec 1869. I do not know at this time if this James born 1781, son of Jacob. I do not know if James (1790) had children, but I suspect him to be father of John (1821). James (1790) was Ensign in War of 1812 in Cecil Militia.

James (Jamy), son of Daniel, m Martha Kidd and he died 1858 - his wife dies 1836. Both are buried Nottingham Presbyterian Church though their children were all Quaker.

John of Little Britain's children were all buried at Penn Hill Quaker Grounds except 3 sons who went to OH - 1825-35 - Morgan County.

There is also a well of James McVey, Harford County - died about 1842. The will mentions no wife or children, though census records do.

John McVey (1821) was living in Lower Chanceford Twp, York County PA (or Peach Bottom region). They worked at Colliers in Harford County, 1850, 1860 and 1870. They also seem to be Quakers (surrounding families are vehement anti-slavers). It seems upon death of parents - speculation now - James and Rachel (1869-1870) they moved to Carson's Run area of Harford County. It was here John J McVey (1850) met Martha Hoopes and they married at York Methodist in Oct 1872. However, it wasn't until 8 years later they joined the Methodist formally (Nov 1880). Then in 1894 upon the death of John (1821), John J McVey family moved to Middle River in Baltimore County operating the McVey Cannery and Packing House.

In Aug 1901 John Frank McVey (Francis John McVeigh) and his sister, Jessie Virginia McVey (Helen Jessie Virginia McVeigh) became Catholic converts at Our Lady of Mt. Carmel Church. The next day Jessie married John Andrew Fogel, son of John Fogel and Mary Anne Martin (sister of Margaret Francis Martin Baker, who had converted Louis Arthur Baker in 1879. Mary Anne Martin Fogel is buried at St. Joseph's but not with spouse - in the Martin-Baker lots. St Joseph's church is located on US Rte 1 in Fullerton.)

On Nov 27, 1901 Francis John McVeigh (John Frank McVey) m Catherine Ida Baker.
On Jan 2 1902 John Martin (1831-1902) from Ireland died. He was father of Margaret Francis Martin and Mary Anne Martin. His wife, Margaret (Coyle) Martin died in Aug 1871 (1831-1871). She, too, was from Ireland.
My father was born 25 Mar 1903 - Louis John McVey (Church records show he was named John Louis McVey).
On 26 Nov 1903 John Frank's father, John J McVey (1850) died.
By 1906 the family spread. Frank McVey (my grandfather) and his growing family settled in Sparrows Point. Some of the family moved to Highlandtown. Others returned to Harford County. By 1925 Martha Hoopes McVey was living in Harford County with her daughter, Ida Mae McVey Frey, where she died in January 1936. On 6 March 1928 Frank McVey died and his wife, Catherine Baker, died on 30 Apr 1935.

My father died 29 Oct 1953. My mother died 14 May 1974.

Passengers and Ships Prior to 1684:

p. 36: "Thomas Holme F.P. of 5000 acres and Penn's surveyor general, was on the Amity. His sons Michael and Tryall Holme, and two of his daughters, Eleanor who m. Joseph Moss, and Esther who m. Silas Crispin, are said to have been with him. (See PMHB, XIX, 417, and ibid, XX (1896), 251-252) According to his will, his kinsman John Fletcher 'came over with him,' and possibly John Osbourne, whose indentures had not yet expired. EDMUND MCVEAGH, who later married Alice Dickinson, who came in servant to Phineas Pemberton, was another servant."

p. 64: "Phineas Pemberton, aged 33, grocer from Bolton in Lancashire, brought his wife Phoebe, daughter of James Harrison, and young children Abigail and Joseph Pemberton. Their certificate from Hartshaw Meeting, filed with Falls Monthly Meeting, was dated 18 5 m 1682, a month before Phinchas, as he spelled his name at this time, started loading goods on the Submission. He was not an original purchaser, but in right of his wife became heir to James Harrison's land (Pa. Archives, 2nd Series, XIX, 525,540, 556). The Bucks County Register of Arrivals was compiled by him in his capacity as deputy for Bucks Co. Its transcription in PMHB, IX, is unfortunately confusing, and does not correspond in all details to the list of passengers in the log. From the transcript of the latter, in PGSP, I, it would appear that he brought over five servants: Joseph Mather, Elizabeth Bradbury, Jane Lyon, Allis Dickinson, and Lydia Wharmsby. The transcript in Battle, Bucks County, assigns Elizabeth Bradbury to Phinchas' father Ralph, and Allis Dickinson and Jane Lyon to Phinchas' father-in-law, James Harrison. They were all to be free in November 1686. Of these, Joseph Mather, aged 18, eventually m. the only daughter and heiress of John Russell, in right of whom Mather took up a lot on the south side of Sassafras (Race) Street in Philadelphia (Pennsylvania Archives, 2nd Series, XIX, 589,605; ibid, 3rd Series, III, 399)."

p. 126: "Allis (Alice) Dickinson, on the log given as the servant to Phinchas Pemberton, m. Edmund McVeagh, who had come as a servant to Thomas Holme."
